Placement Desk

At Moople Institute of Animation & Design, creativity is more than a skill; it is a career pathway. For years, Moople has been committed to transforming artistic passion into professional success by delivering industry oriented education in Animation, VFX, Graphics, Web Designing, Gaming, and allied creative domains. Our Placement Newsletter 2025 stands as a testament to this commitment and the real outcomes our students achieve.

At Moople, employability is the foundation of every program we offer. Our curriculum is carefully designed in alignment with industry expectations, production pipelines, and evolving market demands. Whether a student is enrolled in a degree or a certificate course, the learning experience focuses on practical skills, hands on projects, and portfolio development that directly translate into workplace readiness.

Placements are not treated as an add on; they are a responsibility we take seriously. What truly sets Moople apart is the trust and satisfaction of our extended Moople family. We continue to receive inspiring success stories from parents who have witnessed their children evolve into confident professionals with financial independence and clear career direction.

Students from Moople Institute have been successfully placed across India, in leading studios, corporate houses, and creative agencies, reflecting the nationwide recognition of Moople trained talent.

The placement outcomes for 2025 highlight this success clearly. Moople received 1,660 open positions from 276 companies, creating diverse opportunities across animation, VFX, gaming, design, IT, and corporate creative roles. Our students secured placements with renowned organizations such as Red Chillies Entertainment, Amazon, PwC, Technicolor, Prime Focus, and several other respected industry names. The maximum salary offered reached ₹42,000 per month enabling students to begin earning soon after completing their courses.

These achievements strongly reinforce Moople's long standing commitment to quality education and meaningful placement outcomes. As we move forward, Moople remains dedicated to shaping future ready creative professionals and strengthening industry partnerships, ensuring that every student who chooses Moople steps closer to a successful and sustainable career!

Student Testimonial

Moople has been a key stepping stone in transforming my passion for creativity into a successful professional path.

Sabina Yasmin
Placed at **Taaza TV**

During my learning period, I developed a range of creative and technical skills with the support and guidance of my faculty. I will continue to follow and remember their guidance as I strive for further improvement in the future.

Debosmita Podder
Placed at **Pi Visual**

My experience at Moople Institute was excellent. The Digital Marketing course was well-structured and extremely helpful for practical, real-world application.

Arindam Mondal
Placed at **Moople Institute**

I am proud to share that I have secured a job in this field. The training I received was highly motivating. Coming from a village background with little exposure to the industry, the institute supported me at every step and helped me gain confidence.
